

Name: _____ Date: _____ Per: _____

Where Do You Stand? – Statements

Directions – Students will be paired together in groups of two. Using the sheet provided, groups will evaluate a number of statements that apply to world population. Students should discuss each statement individually and try to reach a *consensus* response on each issue using a scale that ranges from ‘strongly agree’ to ‘strongly disagree.’

Be prepared to offer reasoning for each of your answers before the class! ☺

Statement	Strongly Agree	Agree	Not Sure	Disagree	Strongly Disagree
